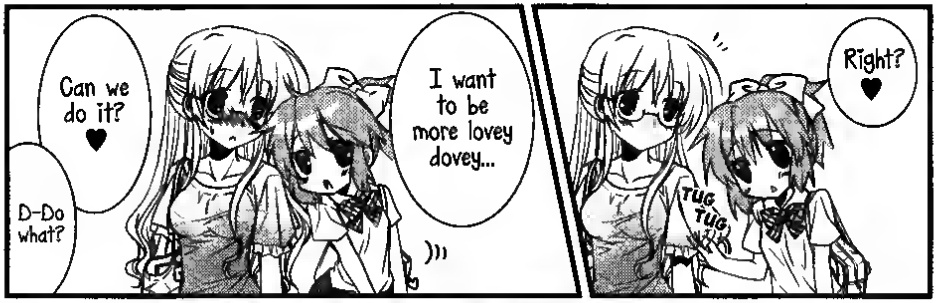
And...
After that, we often met up at a cafe after her cram school ended

Every minute of our triweekly meetings at the cafe was precious.
I really like you, Reiko-san.
It's already time to go...

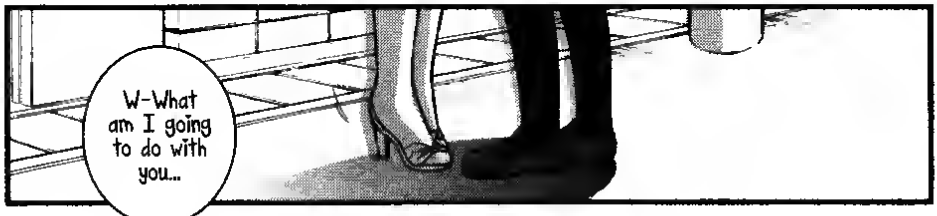
I want to spend more time with you, Rei-chan... I want to go on a date.
You're the one who said we couldn't go on any dates until your entrance exams were done.
But...
And didn't you just say you have a test coming up soon?
Uh....
If you manage to get 80 or above on all your subjects, I'll think about it.
What!?
You always sound so grown up when it comes to this stuff, Rei-chan...
I am grown up, you know.
Me, a full-fledged member of society, and Azusa, the examinee
That could never happen in a million years.
You can't let our time together get in the way of your studies.
SLUMP

If we were married, this would be our honeymoon.
I have to be the grown up, or I'll lose control
and get swept up by Azusa's innocence



Can we do it? ♥
D-Do what?
I want to be more lovey dovey...
Right? ♥
TUG TUG

I just barely finished saying it...!
Or a peck on the lips ♥
Or smooching ♥
Like kissing ♥



W-What am I going to do with you...

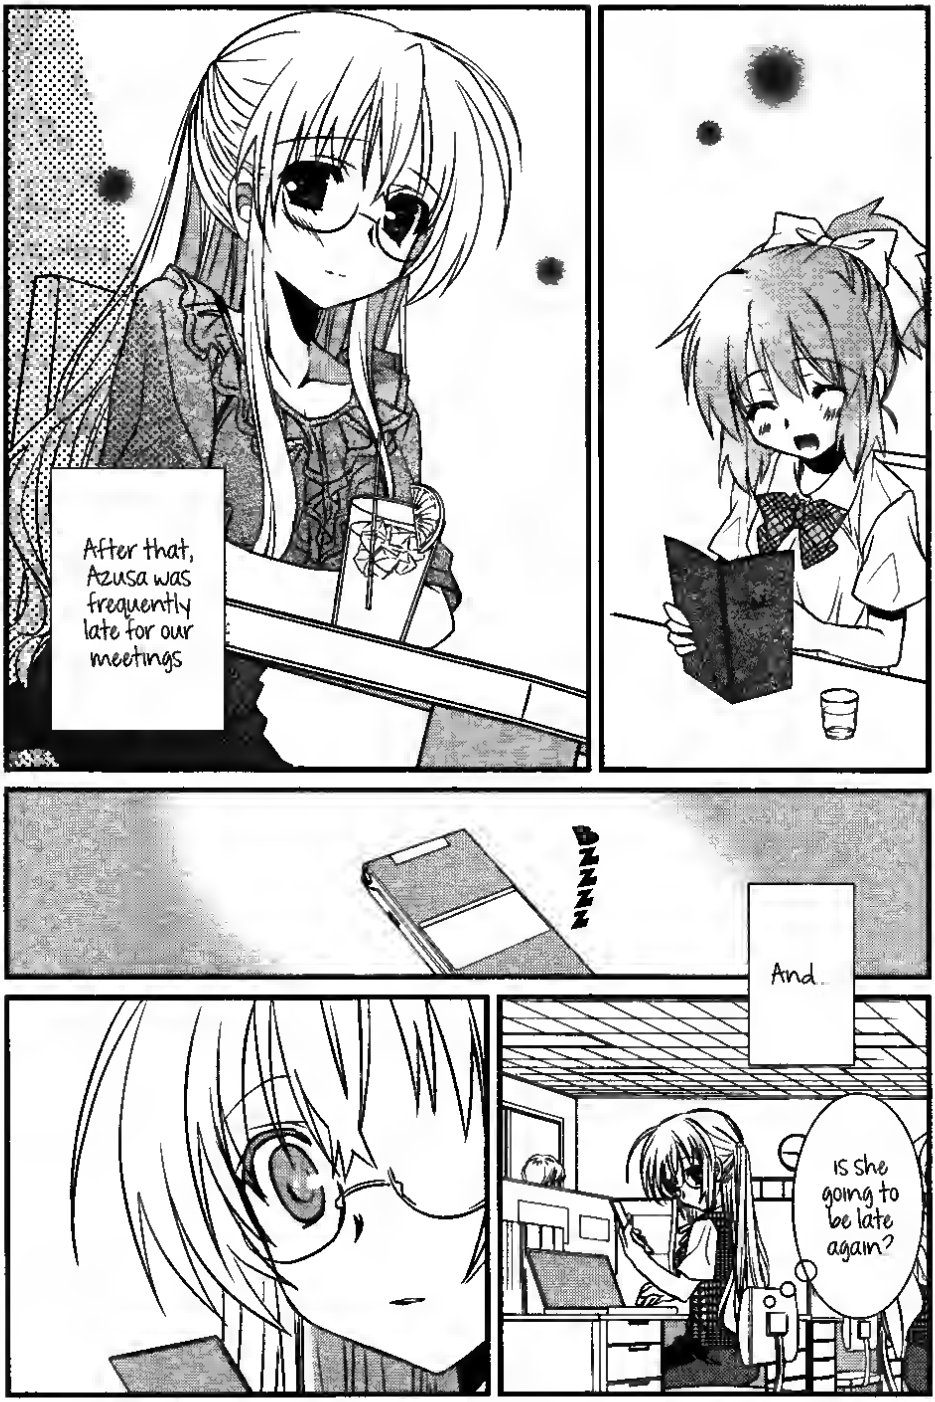
It's a promise ♥
Kiss
What about the rest?
That depends on your test scores ♥
No fair...
Honestly
But, I'm really happy ♥
Now I can share an indirect kiss with you whenever I want ♥

No way! Hiiro-chan!!
I live near here. What are you doing here, senpai?
Yes, somehow!
I've been at cram school
Is the club getting by without the 3rd years?
Azusa-senpai!?
I can barely control myself as-is
I didn't know Azusa was in a club
Ugh
LIVELY
Our age difference really shows at times like these
CRUNCH
Rei-chan!

This is Hiiro-chan. She was a year below me in the tennis club.
Oh, so she was in the tennis club...
And this...
Is my steady, Rei-chan!
Your... steady?
Yeah!
Azusa...
Are you sure you want just say it like that?
Why wouldn't I?
Steady?
Why wouldn't you...?
...
You two...

You sure seem close.
We sure are! ♥
Wow...
Do we really look that close to everyone else?
I can't say that doesn't make me a bit happy...
Sorry, Rei-chan!
Azusa.
Tap Tap

Was class tough today?
Nah. But Hiiro-chan joined the same cram school I'm in.
So I got hung up talking to her.
About the cram school and stuff!
Oh...
Hiiro-chan joined, huh?
Thump
Yeah. I'll be sure to send you a text next time I'll be late.
Huh?
You don't have to do that if you'll just be a few minutes. You have things to do too.
"Next time"?
Wow! Rei-chan, you sound so cool! So mature!
What are you talking about? Anyway, you want some cake?
Of course!



After that, Azusa was frequently late for our meetings

Re: Sorry
That just means Azusa-senpai is reliable ♪ <Note> We can always see each other the day after next. Take your time and
hear Hiiro-chan out.

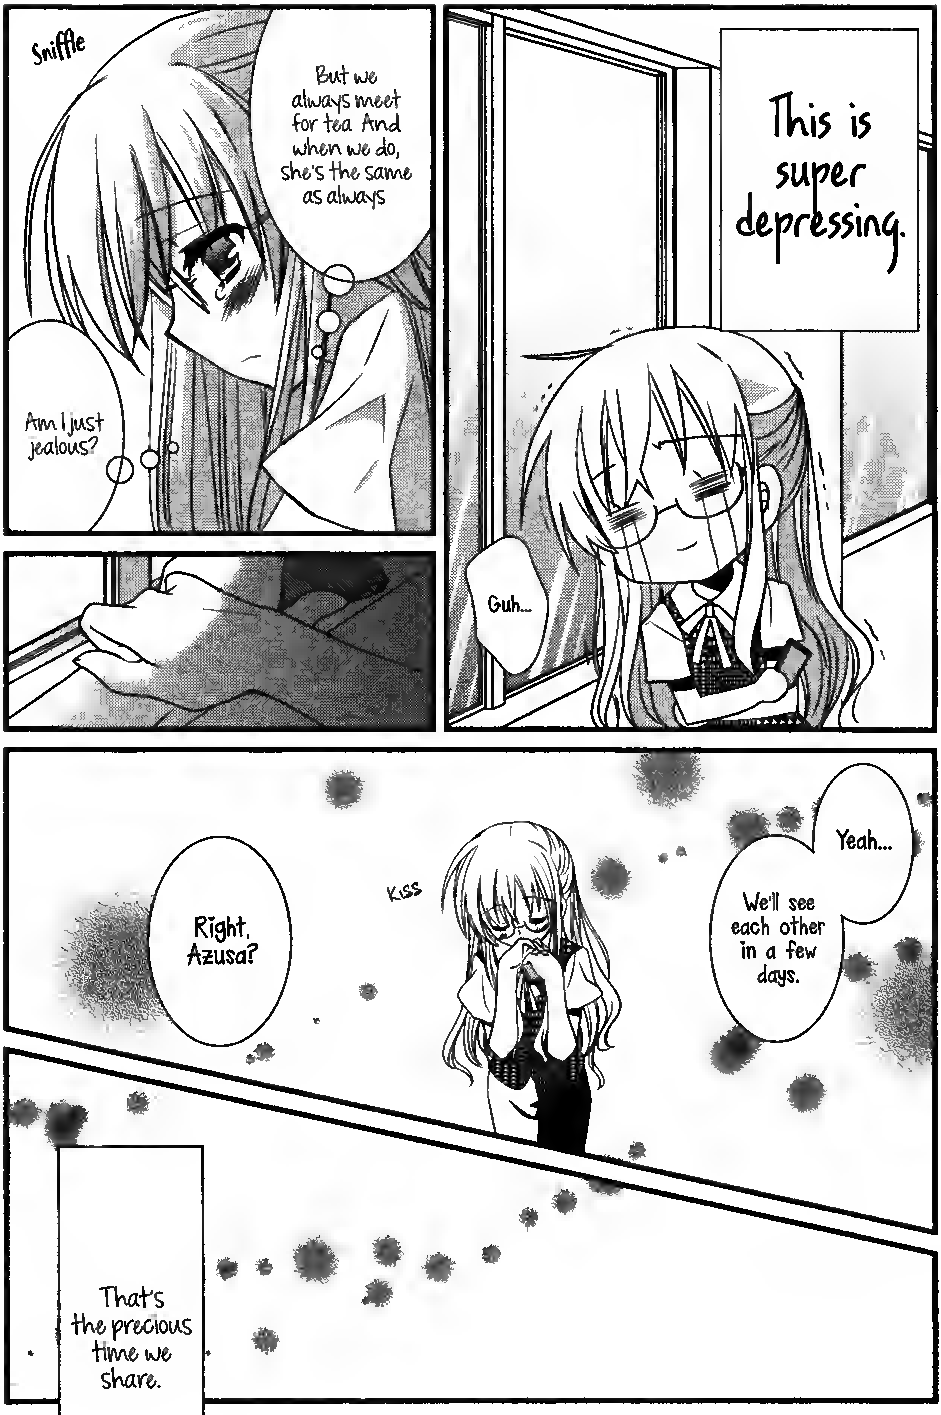
Azusa has always had her own life.
And so have I.
And... send.
There's nothing out of the ordinary about this
I'm an adult...
I can control myself.
But...



Sniffle
But we always meet for tea And when we do, she's the same as always
Am I just jealous?
This is super depressing.
Guh...
Right, Azusa?
KISS
Yeah...
We'll see each other in a few days.
That's the precious time we share.

So...
What? Really?
Why is Hiiro-chan here too!?
I'm telling you, the sooner you visit schools, the better.
I need to use the restroom.
Is that all Azusa thinks of us anymore?
Wai-
Huh? Ah...
"Steady" means you're lovers, right?
By the way...
.....
This is awkward.

I never would've guessed Senpai would be interested
In an old lady like you.
Uh...
That's...
I'm shocked.
Rattle
Senpai. I have something to tell you.
Huh?
Where'd Rei-chan go?

I have always loved you...
I'm glad I was so oblivious to my surroundings when I was with Azusa...
But...
Even if Azusa goes to college, our status as a grown adult and a student won't change...
I don't think you match.
You and Senpai.
I should be the one by her side.
That was obvious, even to me. But I thought...

Uu...
Azusa and I would always be in our own little world...
I couldn't control myself at all...

Okay...
I think maybe

Azusa never bought my whole grown-up act...
Huh? You were worried about a little thing like that?
